

Father's Day Salute!

Matrix is proud to salute John Hylton, a proud father of two and an exceptional caregiver who contributes so much to our team. Known as the "man with white socks," because he always takes off his shoes when entering a client's home, John was named our "Caregiver of the Year" in 2006. Today, John continues to advance in his career, recently becoming a certified nursing assistant, while providing the highest level of service to our clients. Thank you John!
