MATRIX HOME CARE HIRES BRANCH ADMINSTRATOR

Rhonda Surgnier, RN, to Lead Bradenton and Tampa Offices

WEST PALM BEACH – Matrix Home Care, a statewide home nursing, rehabilitation and disability management firm, today announced the appointment of Rhonda Surgnier, RN, as administrator of the Bradenton and Tampa offices.

“As a veteran manager, educator and clinician, Rhonda Surgnier is a dynamic addition to our Gulf Coast home care team,” said Pernille Ostberg, MBA, RPh, president and CEO of the West Palm Beach company. Matrix Bradenton is located at 4910 14th Street West, Suite 304, while Matrix Tampa is at 410 S. Ware Blvd., Suite 619-C.

Surgnier has 30 years of nursing experience, including 17 years in home care. Her responsibilities include leading 40 clinicians and caregivers in the two Matrix offices, reviewing patient cases and medical charts, and coordinating care with physicians, pharmacists and insurance and worker's compensation services representatives.

She was previously general manager/director of clinical operations for Ambient Healthcare, Inc., Tampa and director of clinical management for Gentiva Health Services, Orlando. Surgnier earned an associate of science, RN degree at Manatee Junior College, and a degree in health care administration at St. Leo College.

Based in West Palm Beach, Matrix provides a complete array of services, home health care and disability management so injured employees can quickly return to work, independent senior care based on the needs of the elderly, and specialty nurses' services, including wound care, infusion therapy and rehabilitation nursing. Certified as a woman minority owned business, Matrix serves Southwest and Southeast Florida from locations in Tampa, Bradenton, Venice, Boca Raton, Pompano Beach and Coral Gables.
